Iconic Sakura Views

Explore Sapporo's beloved Maruyama park at your own pace-one of the city's most famous hanami (flower viewing) spots.

The cherry blossom period is a natural phenomenon highly dependent on that year's weather conditions.
The forecast (Late April to Early May) is an estimate based on historical data.
Peak bloom can vary annually, and we cannot guarantee the status of the blossoms on your specific tour date.

We offer two convenient sections for your journey to Maruyama park:

Morning Viewing:

Option 1: 09:30 - 10:30 hrs
Option 2: 10:30 - 11:30 hrs

Evening Viewing (for stunning sunset lights):

Option 1: 16:30 - 17:30 hrs
Option 2: 17:30 - 18:30 hrs

Important Booking Information

Requires a copy of passport (with birth date) to purchase.
